Applications to Parliament Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250, and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to the Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and

the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

Proclamation

(Great Seal of Ontario) W. EARL ROWE
PROVINCE OF ONTARIO

ELIZABETH THE SECOND, by the Grace of God of the United Kingdom, Canada and Her other Realms and Territories Queen, Head of the Commonwealth, Defender of the Faith.

TO ALL TO WHOM THESE PRESENTS SHALL
COME,

GREETING:

PROCLAMATION

WHEREAS by an Act passed at the Fourth Session of Our Twenty-seventh Legislature for Our Province of Ontario convened on the Twenty-fifth day of January, 1966 and prorogued on the eighth day of July, 1966, intituled "An Act to amend The Negligence Act" it is enacted by Section 2 thereof that the said Act shall come into force on a day to be named by Our Lieutenant Governor by his Proclamation.

AND WHEREAS it has appeared expedient that a Proclamation should now issue bringing the said Act into force.

NOW THEREFORE KNOW YE that, having taken the premises into Our Royal consideration, We, by and with the advice of Our Executive Council for

Our Province of Ontario and in the exercise of the power in US vested in this behalf by the said Act or otherwise howsoever, Do, by this Our Royal PROCLAMATION hereby Name Sunday the first day of January, 1967 as the day on which the said Act intituled "An Act to amend The Negligence Act" shall come into force.

OF ALL WHICH PREMISES all Our loving subjects and all others whom it doth or may in anywise concern are hereby required to take notice and govern themselves accordingly.

IN TESTIMONY WHEREOF We have caused these Our Letters to be made Patent and the Great Seal of Our Province of Ontario to be hereunto affixed.

WITNESS:

THE HONOURABLE WILLIAM EARL ROWE,
A Member of Our Privy Council for Canada,
Doctor of Laws, Doctor of Social Science, LIEUTENANT GOVERNOR OF OUR PROVINCE
OF ONTARIO,

at Our City of Toronto in Our said Province this twenty-ninth day of September in the year of Our Lord one thousand nine hundred and sixty-six and in the fifteenth year of Our Reign.

BY COMMAND

JOHN YAREMKO,
Provincial Secretary
and
Minister of Citizenship.

Associated Cartage (Ontario) Limited, 03032
450 Dufferin Street, Toronto 3, Ontario.

The Ontario Highway Transport Board, pursuant to Section 16 of The Ontario Highway Transport Board Act, will review the terms of its certificates which led to the issuance of Class 'A' public commercial vehicle operating licence No. 500, and has fixed Monday, the 7th day of November, 1966, at 10 a.m. (E.S.T.) at its Chambers, 67 College Street, Toronto, Ontario, for that purpose.

At the hearing the applicant will be required to show cause why these certificates should not be amended or revoked by reason of operations contrary to the public interest; the operations are, more specifically, continued disregard of The Public Commercial Vehicles Act and The Highway Traffic Act, and the regulations pursuant thereto.

The Board may amend or revoke the terms of the said operating licence.

D. S. CHURCH,
Secretary.

Applications to Parliament Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon

a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

- (a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.
- (b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.
- (c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250, and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to the Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

THE PUBLIC HEALTH ACT

O. Reg. 300/66.

Stuffed Articles.

Made—September 14th, 1966.

Approved—September 22nd, 1966.

Filed—September 26th, 1966.

REGULATION MADE UNDER
THE PUBLIC HEALTH ACT

1.—(1) In this Regulation,

- (a) "bedding" means any mattress, mattress type pad, boxspring, quilt, comforter, sleeping bag, mattress protector pad, pillow or quilted bedspread, that contains filling material concealed by fabric or other flexible material, or any such article that can be used for sleeping or reclining purposes, but does not include decorator cushions;
- (b) "foam" means any material made of 100 per cent rubber or foamed material and designated as,
 - (i) latex foam rubber,
 - (ii) synthetic foam, or by the name of the material,
 - (iii) chipped foam, or
 - (iv) bonded chipped foam;
- (c) "new material" means any material that has not been previously manufactured or used for any purpose, or any by-product of a manufacturing process, and includes foam when used in combination with other new materials;
- (d) "new reworked material" means material that has been obtained by reworking previously manufactured new material and includes foam when used in combination with other new reworked materials;
- (e) "second-hand article" means an article that has been purchased from a retailer but does not include an article returned to the retailer without use and with the original label attached;
- (f) "second-hand material" means material that has been used other than in a manufacturing process;
- (g) "upholstered or stuffed article" means an article, any part of which contains material for the purpose of upholstering or stuffing and includes an upholstered or stuffed article consisting of a main body plus removable or loose parts but does not include,
 - (i) shoulder pads and trimmings in articles of clothing,
 - (ii) a seat or back rest that is part of a vehicle or aeroplane, or
 - (iii) life saving equipment bearing a stamp or label of approval by the Department of Transport of the Government of Canada;
- (h) "upholstered furniture" means any furniture that is made or sold with cushions, loose or attached, or is itself stuffed or filled in whole or in part with any material concealed by fabric or other flexible material or any such article that can be used for sitting, resting or reclining purposes.

(2) For the purpose of the Act and this Regulation, an upholstered or stuffed article shall be deemed to be offered for sale while it is in the possession of, or on the premises of a manufacturer, wholesaler, wholesaledistributor or retailer of new or second-hand articles.

MATERIAL

2.—(1) No person shall use second-hand material in the construction or manufacture of upholstered or stuffed articles.

(2) No person shall add any material in the alteration, renovation, repairing, renewal, covering or recovering of an upholstered or stuffed article, other than new material, foam or new reworked material.

3. No person shall use in the manufacture or renovation of any stuffed or upholstered article any material that contains vermin or is unclean.

4. No person shall sell or offer for sale an upholstered or stuffed article that,

- (a) has been in contact with a person suffering from a communicable disease;
- (b) is unsanitary and is likely to affect adversely the health of any person; or
- (c) contains vermin,

unless the article has been cleaned to the satisfaction of the local medical officer of health.

5. No person shall use feathers or feather products in the construction, manufacture, alteration, renovation, repair, or renewal of an upholstered or stuffed article unless the feathers or feather products have first been,

- (a) washed for at least thirty minutes in cold water and with a detergent or washing soda, or both;
- (b) rinsed for at least ten minutes in a flow of clean water; and
- (c) dried thoroughly with dry steam at a temperature of at least 215° F.

REGISTRATION

6.—(1) Every person who constructs, manufactures, alters, renovates, repairs, covers or recovers an upholstered or stuffed article shall register with the Department as a manufacturer or renovator on or before the 1st day of November, 1967 and annually thereafter.

(2) Application for registration shall be in Form 15.

(3) The fee for registration of a manufacturer is \$10 for each registration number issued.

(4) The fee for registration of a renovator is \$5 for each registration number issued.

(5) Upon receipt of the prescribed fee the Department shall register the applicant and issue one or more registration numbers.

(6) A registration remains in effect for one year after the date of issue.

7.—(1) Every person registered under section 6 shall apply annually to the Department in Form 16 for renewal of his registration and such renewal shall be for a period of one year.

(2) An application in Form 16 shall be made not less than sixty days before the expiry of the registration.

(3) The fee for renewal of a registration of a manufacturer is \$10 for each registration number issued.

(4) The fee for renewal of a registration of a renovator is \$5 for each registration number issued.

(5) Upon receipt of the prescribed fee, the Department shall renew the registration of the applicant.

8.—(1) No person shall sell or offer for sale, whether by auction or otherwise, an upholstered or stuffed article that has not been manufactured by a manufacturer who is registered under section 6 or 7.

(2) Subsection 1 does not apply to persons selling second-hand articles.

(3) This section comes into force on the 1st day of November, 1967.

LABELLING AND SALE

9.—(1) Every person who constructs, manufactures, alters, renovates, repairs, renews, covers or recovers an upholstered or stuffed article shall immediately affix to a conspicuous part of the main body of the article, a label complying with section 10 and bearing his registration number, and he may include his name and address upon the label.

(2) Every dealer in second-hand upholstered or stuffed articles shall affix a label complying with section 10 and bearing his name and address to each second-hand article immediately the article enters his premises.

(3) No person shall sell or offer for sale whether by auction or otherwise, an upholstered or stuffed article that does not bear a label complying with this Regulation and securely affixed to a conspicuous part of the main body of the article.

(4) Subsection 3 does not apply to the sale or offering for sale by a household of his own household articles on his own premises.

10.—(1) Every label shall be $2\frac{1}{2}$ inches wide and 4 inches long and made of muslin, linen or other material that in the opinion of an officer of the Department is equivalent thereto and shall be,

- (a) in Form 1 and coloured white, where new material is used exclusively;
- (b) in Form 2 and coloured white, where synthetic foam is used exclusively;
- (c) in Form 3 and coloured white, where latex foam rubber is used exclusively;
- (d) in Form 4 and coloured white, where chipped foam is used exclusively;
- (e) in Form 5 and coloured white, where bonded chipped foam is used exclusively;
- (f) in Form 6 and coloured blue, where new reworked material is used exclusively or together with new material or foam;
- (g) in Form 7 and coloured green, where the article is renovated; and
- (h) in Form 8 and coloured yellow, where the article is second hand.

(2) A label in Form 2 shall designate the type of foam used or shall carry the designation "Synthetic foam".

(3) Where solid, bonded chipped and chipped foams are used together, the label designations shall be as follows:

- 1. Solid foam and bonded chipped foam shall be designated as "Bonded chipped foam".
- 2. Solid foam and chipped foam shall be designated as "Chipped foam".
- 3. Bonded chipped foam and chipped foam shall be designated as "Chipped foam".

(4) Notwithstanding subsection 1, a label affixed to a stuffed article, other than an article of bedding or upholstered furniture, may be $2\frac{3}{4}$ inches wide and $1\frac{1}{4}$ inches long and shall be,

- (a) in Form 9 and coloured white, where new material is used exclusively;
- (b) in Form 10 and coloured white, where synthetic foam is used exclusively;
- (c) in Form 11 and coloured white, where latex foam rubber is used exclusively;
- (d) in Form 12 and coloured white, where chipped foam is used exclusively;
- (e) in Form 13 and coloured white, where bonded chipped foam is used exclusively; and
- (f) in Form 14 and coloured blue, where new reworked material is used exclusively or together with new material or foam.

(5) Where the seat of a chair is fabricated and installed as a separate unit and has a hard surface backing, the label may be affixed by means of a rubber stamp legibly and indelibly stamped on the backing.

(6) No printing other than that contained in the prescribed form shall appear on a label, except the designation of the type of filling material, and the registration number, but the firm name and address may appear upon the label.

(7) For the purpose of subsection 1 of section 9, an upholstered or stuffed article may be labelled with a label affixed under the law of another province, if,

- (a) the manufacturer or renovator is registered with the Department;
- (b) his registration number appears on the label; and
- (c) in the opinion of the Minister,
 - (i) the law is substantially equivalent to this Regulation,
 - (ii) the label would not confuse the public, and
 - (iii) the law contains a similar provision for recognition of labels affixed under this Regulation.

11. Notwithstanding sections 8, 9 and 10, articles to which labels prescribed in Regulation 517 of Revised Regulations of Ontario, 1960 are affixed may be sold or offered for sale by retailers.

12. Articles placed off sale under section 100 of the Act shall be produced by the manufacturer, renovator, wholesaler or retailer on demand of an officer of the Department or a medical officer of health at any time until the off sale label is removed by a person authorized in section 13.

13. No person, other than an officer of the Department, a medical officer of health or a person authorized by either of them shall remove an off sale label that has been affixed under section 100 of the Act.

14. No person shall remove, deface or alter or attempt to remove, deface or alter any label affixed to an article before the article to which it is affixed is sold by retail and delivered.

15. Notwithstanding sections 8, 9 and 10, labels prescribed by Regulation 517 of Revised Regulations of Ontario, 1960 may be affixed to upholstered or stuffed articles for a period of eighteen months commencing with the day upon which this Regulation is published in *The Ontario Gazette*.

16. Regulation 517 of Revised Regulations of Ontario, 1960, and Ontario Regulations 56/62 and 71/62 are revoked.

THE PUBLIC HOSPITALS ACT

O. Reg. 302/66.

Capital Financial Assistance for
Hospital Construction and Renovation.
Made—September 22nd, 1966.
Filed—September 28th, 1966.

REGULATION MADE UNDER
THE PUBLIC HOSPITALS ACTCAPITAL FINANCIAL ASSISTANCE FOR
HOSPITAL CONSTRUCTION AND
RENOVATION

1. In this Regulation,

(a) "approved cost" means the cost of,

- (i) the construction of new buildings and facilities or the renovation of existing buildings and facilities to be used for the diagnosis and treatment of patients and the proper functioning of a hospital and for other health facilities,
- (ii) fees that are approved by the Commission and paid to an architect for his services and the services of his consulting engineers,
- (iii) fees that are approved by the Commission for consultants, other than those paid through the architect,
- (iv) necessary equipment and furnishings, including elevators and air-conditioning in operating rooms, labour and delivery rooms, nurseries and any other areas of the hospital approved by the Commission as requiring air-conditioning,
- (v) land surveys and soil tests, and
- (vi) necessary paving and sodding,

but does not include the cost of,

- (vii) land, demolition of existing buildings and other clearance of the site,
 - (viii) contingency allowances,
 - (ix) financing charges,
 - (x) chapel furnishings,
 - (xi) landscaping, gardens, works of art, murals, busts, statues and similar decorations,
 - (xii) residence accommodation,
 - (xiii) campaign costs for raising the hospital's one-third of the approved cost,
 - (xiv) working capital, or
 - (xv) facilities for ancillary revenue-producing operations;
- (b) "differential" means the difference between the per diem rate approved for a hospital for providing insured services under *The Hospital Services Commission Act* at the standard or public ward level and the hospital charges approved by the Commission for preferred accommodation in the hospital, less the bad debts in respect of the preferred accommodation;

(c) "loan" means a loan provided under section 5a of the Act;

(d) "preferred accommodation" means private and semi-private accommodation in a hospital; and

(e) "renovation programme" means a plan to provide adequate accommodation therein by the major renovation or alteration of a hospital, an organized out-patient department, auxiliary services accommodation, or any part thereof that has become obsolete or otherwise inadequate.

2.—(1) Where the contract for the construction of new hospital buildings or the renovation of existing hospital buildings was signed on or after the 1st day of June, 1966, the Commission shall pay capital financial assistance for the construction or renovation programme.

(2) The capital financial assistance under subsection 1 shall amount to two-thirds of the approved cost and shall consist of the grants referred to in subsection 3 and the loan referred to in subsection 4.

(3) The Commission shall retain the hospital construction grants paid by the Department of National Health and Welfare and the grants authorized by Ontario Regulation 308/63 in respect of the new construction and renovation.

(4) The Commission shall make a loan to the hospital in an amount equal to the difference between the capital financial assistance under subsection 2 and the total amount retained and recovered under subsection 3.

3.—(1) Where the construction of new hospital buildings or the renovation of existing hospital buildings was commenced but not completed before the 1st day of June, 1966, a hospital may apply to the Commission for capital financial assistance in the construction or renovation programme.

(2) The capital financial assistance under subsection 1 shall consist of the grants referred to in subsection 3 and the loan referred to in subsection 4 and shall be an amount which shall bear the same relation to two-thirds of the approved cost as the cost of the proportion of the construction or renovation programme still to be completed after the 1st day of June, 1966 bears to the total approved cost of the construction or renovation programme as approved by the Commission.

(3) The Commission shall retain or recover that part of the sum total of the hospital construction grants paid by the Department of National Health and Welfare plus the capital grants authorized by Ontario Regulation 308/63 plus any loan made under Ontario Regulation 120/64 which shall bear the same relation to two-thirds of the approved cost as the cost of the proportion of the construction or renovation programme still to be completed after the 1st day of June, 1966 bears to the total approved cost of the construction or renovation programme as approved by the Commission.

(4) The Commission shall make a loan to the hospital in an amount equal to the difference between the capital financial assistance under subsection 2 and the total amount retained or recovered by the Commission under subsection 3.

4. Where a Northern Ontario Grant is made under section 10 of Ontario Regulation 308/63, the amount of such grant shall form part of the hospital's one-third of the approved cost as if it had been received by the hospital from a municipality.

5. Where the actual cost of the construction or of the renovation programme differs from the total approved cost of the construction or renovation programme as approved by the Commission, the Commission may make any adjustment in the amount of the capital financial assistance that the Commission deems proper.

6.—(1) Before any capital financial assistance is provided to a hospital, the hospital shall enter into an agreement with the Commission.

(2) The agreement may provide for the payment of principal and interest by means of deductions by the Commission from payments made by the Commission to the hospital for the operating cost of the hospital.

(3) The agreement shall provide,

- (a) the term of the loan, which shall not exceed twenty years;
- (b) the rate of interest on the loan;
- (c) for the payment at any time, at the option of the hospital, of earned interest and the accelerated re-payment of principal, in all or in part, without notice or bonus;
- (d) that the hospital shall apply, half-yearly, to the payment of the interest and principal of the loan an amount equal to three-eighths of the differential derived from the new construction, new facilities and renovation completed with the capital financial assistance provided under this Regulation; and
- (e) that the hospital shall apply, annually, to the payment of the interest and principal of the loan an amount equal to the difference between,
 - (i) the annual amortization payment of the principal and the interest of the loan portion of the capital financial assistance amortized for the term of the loan, and
 - (ii) the amount referred to in clause *d*.

7. The Commission shall pay, annually, to the hospital an amount equal to the amount mentioned in clause *e* of section 6.

8. Where a new hospital is established, after the preliminary sketch plans for the hospital have been approved by the Commission, the Commission may enter into a preliminary agreement with the hospital in advance of the agreement mentioned in section 6 and may pay to the hospital, at the time of the signing of the preliminary agreement, two-thirds of the money required to pay that part of the architect's fees which applies to the development of preliminary sketch plans and working drawings.

9.—(1) Capital financial assistance under this Regulation shall be paid to a hospital in instalments as follows:

- 1. One-fifth when the agreement under section 6 is signed.
- 2. One-tenth when one-eighth of the work is completed.
- 3. One-tenth when one-quarter of the work is completed.
- 4. One-tenth when three-eighths of the work is completed.
- 5. One-tenth when one-half of the work is completed.

6. One-tenth when five-eighths of the work is completed.

7. One-tenth when three-quarters of the work is completed.

8. One-tenth when seven-eighths of the work is completed.

9. The balance when the approved construction of new buildings or renovation programme is completed and the buildings and facilities are furnished, equipped and ready to receive and treat patients.

(2) Where part of the capital financial assistance has been advanced to a hospital in accordance with a preliminary agreement under section 8, the balance of the capital financial assistance shall be paid to the hospital in instalments as provided in subsection 1.

10. Ontario Regulation 120/64 is revoked on the 31st day of December, 1966.

11. This Regulation is deemed to have come into force on the 1st day of June, 1966.

The following applications for certificates under The Public Commercial Vehicles Act, R.S.O. 1960, Chapter 319, will be heard by the Ontario Highway Transport Board at its Chambers, 67 College Street, Toronto, Ontario, on Tuesday, the 15th day of November, 1966, at 10 a.m. (E.S.T.):

**Walter Dean, May Dean and
Walter Dean Jr.,** 17135
2225 Dundas Highway East,
Cooksville, Ontario,

apply for a Class 'D' public commercial vehicle operating licence, "For the carriage of goods for and on behalf of Pan Abode (Ontario) Sales Limited and goods owned by Woodland Sales, owned and operated by Walter Dean, May Dean and Walter Dean Jr., to supply accessories for Pan Abode (Ontario) Sales Limited from the head office of both concerns at Cooksville, Ontario, in the Township of Toronto, and from various railway sidings where goods are delivered throughout Ontario to cottage and building lots owned by customers of Pan Abode (Ontario) Sales Limited and Woodland Sales in Ontario only".

S. L. Gascho & Son Limited, 00494-B
2354 New Street,
Burlington, Ontario,

applies for an amendment to Class 'D' public commercial vehicle operating licence No. 1897, by deleting therefrom the following:

"For the carriage of steel tanks, knocked down or assembled, where the commercial motor vehicle is equipped with a crane, for and on behalf of:

(a) Product Tank Line of Canada Limited, or carrying on business under the firm name and style of:

- (i) Graver Water Conditioning Company, Toronto,
- (ii) Smith & Loveless Company, Toronto, and
- (iii) The Lindsay Company;

(b) Product Tank Car Shops Limited, Toronto; and

(c) Sparling Tank Company Limited, Toronto, or carrying on business under the firm name and style of:

- (i) Sparling Tank and Manufacturing Company, Toronto,

from the installations of the said companies in the Town of Oakville, to job sites only, where crane equipment for efficient unloading is not available.",

and substituting therefor the following:

"For the carriage of steel tanks, knocked down or assembled, where the commercial motor vehicle is equipped with a crane, for and on behalf of Procar Limited, or carrying on business under the firm name and style of:

- (i) Graver Water Conditioning Division,

Applications to Parliament Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

- (a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.
- (b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.
- (c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250, and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to the Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

Applications to Parliament Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

- (a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.
- (b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.
- (c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250, and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to the Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

Proclamation

(Great Seal of Ontario)

W. EARL ROWE

PROVINCE OF ONTARIO

ELIZABETH THE SECOND, by the Grace of God of the United Kingdom, Canada and Her other Realms and Territories Queen, Head of the Commonwealth, Defender of the Faith.

TO ALL TO WHOM THESE PRESENTS SHALL COME,

GREETING :

PROCLAMATION

WHEREAS by an Act passed at the Fourth Session of Our Twenty-seventh Legislature for Our Province of Ontario convened on the Twenty-fifth day of January, 1966 and prorogued on the Eighth day of July, 1966, intituled "An Act to provide for Crop Insurance" it is enacted by Section 16 thereof that the said Act shall come into force on a day to be named by Our Lieutenant Governor by his Proclamation.

AND WHEREAS it has appeared expedient that a Proclamation should now issue bringing the said Act into force.

NOW THEREFORE KNOW YE that, having taken the premises into Our Royal consideration, We, by and with the advice of Our Executive Council for

Our Province of Ontario and in the exercise of the power in US vested in this behalf by the said Act or otherwise howsoever, Do, by this Our Royal PROCLAMATION hereby Name Thursday the Twenty-second day of September, 1966 as the day on which the said Act "An Act to provide for Crop Insurance" shall come into force.

OF ALL WHICH PREMISES all Our loving subjects and all others whom it doth or may in anywise concern are hereby required to take notice and govern themselves accordingly.

IN TESTIMONY WHEREOF We have caused these Our Letters to be made Patent and the Great Seal of Our Province of Ontario to be hereunto affixed.

WITNESS:

THE HONOURABLE WILLIAM EARL ROWE,
A Member of Our Privy Council for Canada,
Doctor of Laws, Doctor of Social Science, LIEUTENANT GOVERNOR OF OUR PROVINCE OF ONTARIO,

at Our City of Toronto in Our said Province this twenty-second day of September in the year of Our Lord one thousand nine hundred and sixty-six and in the fifteenth year of Our Reign.

BY COMMAND

JOHN YAREMKO,
Provincial Secretary
and
Minister of Citizenship.

Under Section 3:

Administrative Officer	
Secretary 5	—1 position. Position No. 08-5000-02

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

- (a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.
- (b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.
- (c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250, and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to the Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in

the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

RODERICK LEWIS, Q.C.,
Clerk of Legislative Assembly of Ontario.

Negotiation and Arbitration Procedures.

Made—August 29th, 1966.

Approved—October 13th, 1966.

Filed—October 17th, 1966.

REGULATION MADE UNDER THE LIQUOR CONTROL ACT

1. In this Regulation,

(a) "Arbitration Board" means the Liquor Control and Liquor Licence Arbitration Board;

(b) "Association" means the Liquor Control Board of Ontario and the Liquor Licence Board of Ontario Employees' Association;

(c) "Negotiating Council" means the Liquor Control and Liquor Licence Negotiating Council.

2.—(1) There shall be a Liquor Control and Liquor Licence Negotiating Council composed of,

(a) three Crown employees appointed by the Lieutenant Governor in Council to be known as the "official side"; and

(b) three members of the Association appointed by the Lieutenant Governor in Council on the recommendation of the Association, to be known as the "staff side".

(2) The Lieutenant Governor in Council shall appoint a person who is not a member of the Negotiating Council as chairman and the chairman shall not vote.

(3) The Lieutenant Governor in Council may appoint a person who is not a member of the Negotiating Council to act as chairman in the absence of the chairman.

(4) The chairman of the Negotiating Council shall,

(a) convene a meeting of the Negotiating Council at the request of the official side or of the staff side or of both of them;

(b) put on the agenda at the request of the official side or of the staff side, or of both of them, any matter concerning the terms of employment of employees of the Liquor Control Board or Liquor Licence Board, including working conditions, remuneration, leaves, and hours of work; and

(c) preside at the meeting.

(5) The Negotiating Council shall negotiate such matters as are put on its agenda by the chairman under subsection 4.

(6) Every agreement reached by the official side and the staff side of the Negotiating Council shall be put in writing and three copies thereof signed by the senior member of each side, and one copy thereof shall be delivered to the chairman of the Negotiating Council who shall forthwith transmit it to the appropriate authority to be implemented.

3.—(1) If the two sides of the Negotiating Council are unable to reach agreement upon any matter the chairman shall refer it to the Minister of Labour who may, within fifteen days thereafter, appoint a mediator to confer with the two sides and endeavour to bring about agreement, and the mediator shall report to the chairman of the Negotiating Council on the reference within thirty days after the matter is referred to the mediator.

(2) If the Minister of Labour does not appoint a mediator under subsection 1 or if the mediator is unable to bring about agreement, the chairman of the Negotiating Council shall refer the matter to the Arbitration Board.

4.—(1) There shall be a Liquor Control and Liquor Licence Arbitration Board appointed by the Lieutenant Governor in Council composed of,

(a) a chairman who shall be appointed for a renewable period of two years;

(b) one member designated from time to time by the official side of the Negotiating Council; and

(c) one member designated from time to time by the staff side of the Negotiating Council.

(2) The Arbitration Board shall decide upon any matter referred to it by the chairman of the Negotiating Council.

(3) Every decision of the Arbitration Board shall be signed by the chairman, and he shall transmit it to the chairman of the Negotiating Council who shall forthwith transmit it to the appropriate authority to be implemented.

Made by the Board, this 29th day of August, 1966.

W. EARL ROWE

PROVINCE OF ONTARIO

ELIZABETH THE SECOND, by the Grace of God of the United Kingdom, Canada and Her other Realms and Territories Queen, Head of the Commonwealth, Defender of the Faith.

TO ALL TO WHOM THESE PRESENTS SHALL COME,

GREETING :

PROCLAMATION

WHEREAS by an Act passed at the Fourth Session of Our Twenty-seventh Legislature for Our Province of Ontario convened on the Twenty-fifth day of January, 1966 and prorogued on the Eighth day of July, 1966 intituled "An Act to amend The Charitable Institutions Act, 1962-63" it is enacted by Section 4 thereof that the said Act shall come into force on a day to be named by Our Lieutenant Governor by his Proclamation.

AND WHEREAS it has appeared expedient that a Proclamation should now issue bringing the said Act except Section 3 into force.

NOW THEREFORE KNOW YE that, having taken the premises into Our Royal consideration, We, by and with the advice of Our Executive Council for Our Province of Ontario and in the exercise of the power in US vested in this behalf by the said Act or otherwise howsoever, Do, by this Our Royal PROCLAMATION hereby Name Friday the twenty-first day of October, 1966 as the day on which the said Act intituled "An Act to amend The Charitable Institutions Act, 1962-63" except Section 3 shall come into force.

OF ALL WHICH PREMISES all Our Loving subjects and all others whom it doth or may in anywise concern are hereby required to take notice and govern themselves accordingly.

IN TESTIMONY WHEREOF We have caused these Our Letters to be made Patent and the Great Seal of Our Province of Ontario to be hereunto affixed.

WITNESS:

THE HONOURABLE WILLIAM EARL ROWE,
A Member of Our Privy Council for Canada,
Doctor of Laws, Doctor of Social Science, LIEUTENANT GOVERNOR OF OUR PROVINCE OF ONTARIO,

at Our City of Toronto in Our said Province this twentieth day of October in the year of Our Lord one thousand nine hundred and sixty-six and in the fifteenth year of Our Reign.

BY COMMAND

Private Bills****PUBLIC NOTICE**

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250, and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to the Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them,

in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

RODERICK LEWIS, Q.C.,
Clerk of Legislative Assembly of Ontario.

Applications to Parliament Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such Committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

- (a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.
- (b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.
- (c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the

House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250, and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to the Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them,

in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

PART I

LICENCES AND PERMITS FOR TOURIST ESTABLISHMENTS

ISSUANCE AND FEES

2.—(1) A permit to establish a tourist establishment or make an addition to or a structural alteration in a tourist establishment shall be in Form 1.

(2) An applicant for a permit shall make application in Form 2 to the proper licence issuer and shall submit with his application plans and specifications of the proposed tourist establishment or of the proposed additions to or structural alterations in accommodation at the tourist establishment, showing in detail all information relevant to the standards prescribed in Part II of this Regulation.

(3) A permit in Form 1 expires one year after its date of issue.

(4) The holder of a permit shall erect or establish the tourist establishment or make additions to or structural alterations in accommodation at the tourist establishment in accordance with the plans filed with his application.

3.—(1) A licence to operate a tourist establishment shall be in Form 4.

(2) A licence in Form 4 is not valid unless it is countersigned by the licence issuer.

(3) Where a tourist establishment has,

- (a) a main building with or without other buildings on the same premises; and
- (b) one or more rental units located on other premises but operated from that main building,

one licence to operate all those premises may be issued to the operator.

4.—(1) An applicant for a licence in Form 4 or for a renewal thereof shall,

- (a) make application in Form 3; and
- (b) file the application with the proper licence issuer together with a fee of,
 - (i) \$20 where the applicant is resident in Ontario, and
 - (ii) \$60 where the applicant is not resident in Ontario.

(2) For the purpose of clause *b* of subsection 1,

- (a) an applicant that is a corporation is resident in Ontario if its head office is located in Ontario;
- (b) an applicant that is a partnership is resident in Ontario if the partners owning a majority interest in the partnership are resident in Ontario, as determined under clause *c*; and

(c) an applicant who is not a corporation or a partnership is resident in Ontario if he has actually resided in Ontario for a period of at least seven months during the twelve months immediately preceding the time his residence becomes material under this Regulation.

(3) An applicant for a licence to operate an outpost establishment shall furnish with his application,

- (a) a map on which is marked,
 - (i) the location of his base of operations for the outpost establishment; and
 - (ii) the location of each outpost camp-site comprising the outpost establishment; and

(b) such other information as the licence issuer requires.

(4) Application for renewal of a licence in Form 4 shall be made,

- (a) before expiry of the current licence, where the establishment is operated throughout the year; or
- (b) before the 15th day of May in each year, where the establishment is operated for only part of the year.

(5) Subject to section 5, the licence issuer shall, as soon as is practicable after he has received the application,

- (a) issue to the applicant a licence in Form 4; and
- (b) forthwith transmit to the Minister a copy of the licence.

(6) A licence in Form 4,

- (a) becomes effective on,
 - (i) the 1st day of April of the year in which it is issued, or
 - (ii) the date on which it is issued,

whichever is the later; and

(b) expires with the 31st day of March, next following, unless sooner suspended or cancelled.

5.—(1) Where an operator of an establishment in respect of which a licence is applied for does not comply with,

- (a) the Act or this Regulation; or
- (b) any other law, regulation or by-law applicable in respect of that establishment,

or where he has been convicted of any offence for conduct that demonstrates that it is not in the public interest for him to operate a tourist establishment, the licence issuer may refuse the licence.

(2) Within forty-eight hours after a refusal, the licence issuer shall transmit,

- (a) to the Minister,
 - (i) the application, and
 - (ii) a report setting forth the reasons for the refusal; and

(b) to the applicant by registered mail,

- (i) a copy of the report under subclause ii of clause a, and
- (ii) a notification that a refund has been authorized and will be issued from the office of the Provincial Treasurer in due course.

TRANSFER OF LICENCES

6.—(1) Where a licensed tourist establishment is sold or legal ownership thereof passes by any lawful means, the purchaser or other person to whom the legal ownership has passed may obtain transfer of the licence upon,

- (a) filing application therefor in Form 5;
- (b) paying a fee of \$5; and
- (c) surrendering the existing licence.

(2) The previous owner shall provide the new owner with,

- (a) the register; and
- (b) all records required to be maintained under this Regulation,

as contain entries and relevant information for at least one year before the change of ownership.

(3) The new owner shall maintain those entries and records until,

- (a) the expiration of the period of time required by this Regulation; or
- (b) he delivers them to a subsequent new owner,

whichever event occurs first.

SUSPENSION AND CANCELLATION OF LICENCES

7.—(1) Where an operator violates,

- (a) the Act or this Regulation; or
- (b) any other law, by-law or regulation applicable to the establishment,

or where he has been convicted of any offence for conduct that demonstrates that it is not in the public interest for him to operate a tourist establishment, the licence issuer may, after a hearing, suspend or cancel the licence for the establishment notwithstanding that the violation existed at the time the licence was issued.

(2) Where an establishment in respect of which a licence has been issued, or any part thereof, is declared a public place under subsection 2 of section 42 of *The Liquor Control Act*, the licence issuer may suspend or cancel the licence.

(3) Within forty-eight hours after suspending or cancelling a licence, the licence issuer shall send by registered mail,

- (a) to the Minister, a report of the suspension or cancellation with the grounds therefor; and
- (b) to each operator of the establishment, a copy of the report.

(4) Where a licence is suspended or cancelled, the licence holder shall immediately surrender it to the licence issuer.

HEARINGS

8.—(1) Where a licence issuer has,

- (a) refused to issue a licence; or
- (b) suspended or cancelled a licence,

the person aggrieved or any other operator of the establishment may appeal to the Minister.

(2) The hearing of an appeal under subsection 1 shall be conducted by the Deputy Minister or by an executive officer of the Development Branch of the Department of Tourism and Information designated by the Deputy Minister.

(3) The person hearing an appeal shall transmit to the Minister a report containing a synopsis of his findings of fact and his recommendations.

(4) After considering the report and any further material he desires, the Minister may make such order as he deems proper.

9.—(1) A hearing under this Regulation shall be held in the county or district in which the establishment concerned is situated and notice of the hearing shall be sent by registered mail to each operator of the establishment not less than twelve days before the time appointed for the hearing.

(2) At a hearing, each operator is entitled to,

- (a) hear the evidence adduced;
- (b) cross-examine witnesses;
- (c) adduce evidence in defence;
- (d) present his argument; and
- (e) be represented by counsel.

10. A licence shall not be suspended for a period longer than thirty days.

PART II

PUBLIC HEALTH AND SAFETY

LOCATION AND DRAINAGE

11. A building used wholly or partly for sleeping accommodation or living accommodation for guests shall be located on dry and well-drained sites.

12. Where necessary, the operator shall provide surface drainage to ensure that casual or stagnant water is sufficiently far from buildings to prevent a nuisance to persons accommodated or a danger to their health.

WATER SUPPLY

13. An operator shall provide an adequate supply of water tested satisfactory for human consumption and domestic purposes.

14.—(1) Where an operator has no reason to suspect otherwise, he may assume that at the point where it enters upon his premises the water supplied by a municipality or public utility is potable.

(2) Where drinking water from any source is not potable, the operator shall treat it under the direction of the health authority so as to make it potable.

(3) Every well, spring, reservoir, faucet, tap, pipe opening or other place from which non-potable water is available shall be clearly indicated by prominent, readily legible signs containing the words "NOT FIT FOR HUMAN CONSUMPTION" in letters not less than one-half of an inch high.

15.—(1) Where an establishment operates throughout the year and the drinking water is not supplied by a municipality or public utility, the operator shall submit a sample of the drinking water to a Department of Health Laboratory for bacteriological examination at intervals not greater than thirty days.

(2) Where an establishment operates for only part of the year and the drinking water is not supplied by a municipality or public utility, the operator shall submit a sample of the drinking water to a Department of Health Laboratory for bacteriological examination within ten days prior to the date of opening in that period and every thirty days thereafter during the period of operation.

(3) Where an examination discloses the presence of coliform organisms in the sample of drinking water, that water and all water from the same source shall be deemed to be not potable and shall not be used except under such conditions as the health authority prescribes.

(4) The operator shall maintain a file containing all water examination reports sent to him by a Department of Health Laboratory and the file shall be open to inspection by the health authority or an officer of the Department of Tourism and Information.

WELLS, RESERVOIRS AND PUMPS

16.—(1) A well from which drinking water is available shall be so constructed and located that surface contamination and drainage cannot enter it.

(2) A reservoir with an open top shall not be installed or permitted for storage of drinking water.

(3) A reservoir for drinking water shall,

- (a) be constructed of material impervious to water;
- (b) be free of leaks; and
- (c) have its openings so constructed and maintained as to prevent the entrance of insects, birds, animals and other sources of infection or contamination.

(4) Where a pump is used in supplying or distributing drinking water, the pump and its connections shall be so placed as to prevent contamination of the water.

CONSTRUCTION REQUIREMENTS

17. Sections 18 to 26 are subject to the provisions of *The Hotel Fire Safety Act* and the regulations made thereunder.

18. The clear interior height of a room shall be at least eight feet measured from floor to ceiling.

19. Exclusive of closets, bathrooms, porches and verandas, no cottage shall have a floor area of less than 170 square feet plus 80 square feet for every sleeping room.

20.—(1) No cabin or rental unit in a motel or motor hotel shall have less than 150 square feet of clear living space exclusive of closets, bathrooms, porches and verandas plus 50 square feet for each person to be accommodated in excess of two persons.

(2) A sleeping room, other than a sleeping room in a cottage, motel or motor hotel to accommodate two or more persons shall have at least fifty-five square feet of floor space exclusive of closets and bathrooms for each person to be accommodated.

(3) A bathroom shall,

- (a) be not less than four feet wide; and

(b) have a floor area of not less than thirty square feet.

(4) A room that has a flush toilet or is a washroom shall have not less than twenty square feet of floor area and a width of not less than four feet.

21. A cabin or cottage shall be,

(a) at least twelve feet from any other building; and

(b) at least six feet from a side or rear boundary of the land on which the establishment is operated.

22.—(1) An interior wall shall be,

(a) stained, painted or lined with a material having a smooth surface; and

(b) so constructed that it can be kept clean.

(2) All exterior walls of frame construction shall have upright studding,

(a) of nominal size not less than two inches by four inches; and

(b) set at 16-inch centres.

(3) Where logs, log siding or log slabs are used, they shall be peeled and coated with varnish or some other insect-repellent material.

(4) Where an exterior wall or any member thereof is constructed of brick, cement, cinder block, concrete, stone or other masonry those materials shall be new, sound and firmly laid in cement or cement and lime mortar.

(5) Joists and rafters in all construction shall not exceed 16-inch centres in floor and ceiling construction.

(6) Floor joists under partitions running parallel to the joists shall be double joists that are spiked together or separated and blocked at four foot intervals.

23. A floor shall be,

(a) constructed of,

(i) concrete,

(ii) tongue-and-groove lumber treated to be insect-proof, or

(iii) some other insect-proof material; and

(b) supported on joists of which the lower face is not less than six inches above ground level.

24. A living room, sleeping room or kitchen shall have one or more windows having an aggregate glass-area of at least one-tenth of the floor area.

25.—(1) Every room shall be capable of being ventilated directly to the outside air by means of openings totalling an area of not less than four per cent of the floor area of the room.

(2) Each rental unit shall be so constructed and equipped that cross-ventilation can be readily obtained.

26.—(1) Where two or more rental units adjoin each other under the same roof, they shall be separated from one another by,

(a) a dividing wall made of bricks, concrete blocks, cinder blocks, clay blocks or clay tiles that are new, sound and of a minimum thickness of eight inches in width laid in cement or cement and lime mortar;

(b) a dividing wall made of fully separated wall members on staggered studding not less than two inches by four inches nominal size on two inch by six inch plates,

(i) set at not more than 16-inch centres,

(ii) with spaces between the studs filled with mineral wool or other fire resistant and sound resistant insulation, and

(iii) faced on both sides by a facing material specified in subsection 4; or

(c) fully separated double walls constructed on wood studding not less than two inches by four inches nominal size, each wall being on plates two inches by four inches,

(i) set at not more than 16 inch centres,

(ii) with spaces between the studs filled with mineral wool or other fire resistant and sound resistant insulation, and

(iii) faced on both sides by a facing material specified in subsection 4.

(2) Each dividing wall shall extend from the floor to the ceiling.

(3) Where a rental unit is underneath another rental unit, the ceiling of the lower unit shall be insulated by a combination of joists, flooring and ceiling, in which,

(a) the flooring is laid on the upper side of the joists and is staunchly constructed so that dirt, dust or water cannot drift or flow through it;

(b) the ceiling is firmly affixed to the lower sides of the joists and,

(i) is of lath and plaster or of a facing material specified in subsection 4, and

(ii) has a smooth lower surface adequately finished by a surfacing material suitable for ceilings; and

(c) the spaces between the joists are filled with mineral wool or other fire resistant and sound resistant insulation.

(4) For the purpose of subclause iii of clause c of subsection 1 and subclause i of clause b of subsection 3, a facing material consists of,

(a) gypsum board, plaster board or wallboard, at least $\frac{3}{8}$ -inch nominal thickness;

(b) plywood or pressed board at least $\frac{1}{4}$ -inch nominal thickness;

(c) wood boards at least $\frac{1}{2}$ -inch nominal thickness; or

(d) gypsum lath,

(i) at least $\frac{3}{8}$ -inch nominal thickness, or

(ii) plastered on the outer side with a base coat of gypsum hard-wall plaster,

and surfaced smooth with a finishing coat of hydrated lime putty and plaster-of-paris.

TOILET CONVENIENCES, PLUMBING,
SEWAGE DISPOSAL

27.—(1) Where a room is equipped with a flush toilet, the room shall be adequately lighted and maintained in a clean and sanitary condition.

- (2) A room that has a flush toilet shall have,
 - (a) one or more windows having an aggregate glass area of at least three square feet; or
 - (b) a ventilating fan that ensures ventilation at least equivalent to that obtainable under clause a.

28. Flush toilets, sinks, basins, showers and bathtubs shall be connected to,

- (a) a public sewage system;
- (b) a properly constructed septic tank and absorption system; or
- (c) such other sewage disposal system as is approved by the local medical officer of health, the Department of Health or an officer of the Ontario Water Resources Commission.

29.—(1) A privy shall be maintained in a sanitary condition at all times during the period of operation of the tourist establishment.

- (2) In every privy,
 - (a) all wooden seats shall be,
 - (i) of dressed material, and
 - (ii) maintained in a sanitary condition by application of good quality enamel; and
 - (iii) provided with hinged lids; and
 - (b) all interior walls shall be maintained in a sanitary condition by application of good quality paint or washable substitute for paint.

30. Where a flush toilet, privy or washroom, other than a semi-private bathroom, may be used by guests in common, the facilities shall be for the use of the guests exclusively and the operator shall provide separate facilities for male and for female persons with separate approaches clearly marked for each sex and not to be used by any other person.

31. Where a room or privy has more than one flush toilet or privy seat, as the case may be, there shall be partitions between the seats constructed in such manner as to ensure complete privacy.

32. Where flush toilets, privies or washrooms are to be used by guests in common at a tourist establishment other than a cottage establishment or camping establishment and the number of persons entitled to use those common facilities is in a group itemized in column 1 of Table 1, the operator shall provide at least the number of flush toilets or privy seats and washbasins set opposite thereto in columns 2 and 3, respectively.

33. Each cottage shall have at least one flush toilet or privy for the exclusive use of the persons accommodated in that rental unit, except cottages in a cottage establishment in which there are central toilet facilities that,

- (a) are for the use of all guests at that establishment; and
- (b) have flush toilets and washbasins in the numbers prescribed in Table I to subsection 1 of section 32.

EQUIPMENT

34.—(1) Every bathroom for use by guests shall have properly installed in it,

- (a) a bathtub or shower bath;
- (b) a basin; and
- (c) a flush toilet.

(2) Each bathtub and shower bath shall be equipped with taps or faucets supplying hot water and cold water.

- (3) A semi-private bathroom shall have two doors,
 - (a) opening into the bathroom and fitted with a means of securing them shut so that a person using the bathroom will have complete privacy; and
 - (b) opening separately from the two rental units served by the bathroom.

(4) Before a guest occupies a rental unit, the bathroom and all fixtures shall be thoroughly cleansed.

(5) All drinking utensils for the use of guests in rental units shall be washed in accordance with the regulations made under *The Public Health Act*.

CAMPING ESTABLISHMENTS

35.—(1) Subject to subsection 3, where flush toilets, urinals and washbasins are to be used by guests in common at a camping establishment and the number of persons entitled to use those common facilities is in a group itemized in column 1 of Table II, the operator of the camping establishment shall provide,

(a) at least the number of washbasins set opposite thereto in column 2;

(b) for male guests, at least the number of,

- (i) flush toilets set opposite thereto in Part 1 of column 3, and
- (ii) urinals set opposite thereto in Part 2 of column 3; and

(c) for female guests, at least the number of flush toilets set opposite thereto in column 4.

(2) Where, because of the absence of a water-pressure system, the operator of a camping establishment is unable to comply with subsection 1, he shall provide two privies for every seven camping lots.

(3) Each camping lot shall have an area of at least 1,600 square feet with a minimum frontage of 25 feet.

(4) Camping lots shall be accessible by means of a driveway,

- (a) at least ten feet wide, where the driveway is for one-way traffic;
- (b) at least twenty feet wide, where the driveway is for two-way traffic; and
- (c) so constructed that automobiles and trailers will not become mired.

(5) The operator of a camping establishment shall provide,

- (a) one table for each camping lot; and
- (b) one garbage can for each camping lot or an equivalent central garbage disposal area.

(6) The operator of a camping establishment shall not allow the camping establishment to consist, at any time, of more camping lots than in the proportion of fifteen camping lots for each acre of land at that time suitable for accommodation of tents and trailers.

OUTPOST ESTABLISHMENTS

36.—(1) The operator of an outpost establishment shall provide at each outpost camp,

- (a) suitable mattresses or air mattresses;
- (b) unless otherwise provided by his guests, sleeping bags with clean removable liners or blankets and clean sheets and pillow cases;
- (c) sufficient cooking and eating utensils;
- (d) a table;
- (e) adequate screening for all openings or vents in tents;
- (f) a 3½-day supply of emergency rations;
- (g) a first aid kit;
- (h) packets of waterproof matches;
- (i) a shovel, grub hoe and hand fire pump;
- (j) a signal flare kit; and
- (k) a card showing procedures to be followed in applying artificial respiration or in the event a person accommodated becomes lost.

(2) Tents provided by the operator shall be waterproof and in good condition and a tent shall contain at least thirty square feet of floor space for each person to be accommodated in the tent.

(3) Each outpost camp shall be provided with,

- (a) at least one pit privy and one garbage pit, both of which are at least 100 feet distant from any tent used for sleeping or from any water's edge or supply of water; and
- (b) suitable containers for garbage and refuse.

(4) The operator shall inspect each outpost camp at reasonable intervals to ensure that the provisions of this Regulation are carried out.

REGISTRATION OF PERSONS, MOTOR VEHICLES AND TRAILERS ACCOMMODATED

37.—(1) An operator shall maintain in a bound book, or by means of a card index, a register of the persons, motor vehicles and trailers accommodated in his tourist establishment.

(2) A person accommodated shall enter in the register,

- (a) his name and home address; and
- (b) the name and home address of each person travelling with him and accommodated in the establishment who does not register separately.

(3) An operator shall require a person travelling by motor vehicle and accommodated in a tourist establishment to enter in the register the trade name of the motor vehicle, the vehicle licence number thereof and the name of the Province, State or other authority issuing the vehicle licence.

(4) The operator shall enter in the register,

- (a) the name or number of the rental unit occupied by each person accommodated; and
- (b) the date of arrival and of departure of each person accommodated.

(5) A person accommodated shall not,

- (a) enter false information in the register; or
- (b) in any way cause false information to be entered in the register.

(6) An operator shall not enter in the register or knowingly permit to be entered in the register any information he reasonably suspects to be false.

(7) An entry in the register shall be preserved for at least one year from the date of the entry.

(8) Every operator of an outpost establishment shall maintain in Ontario a base of operations at which persons accommodated shall register in accordance with this section.

DUTIES OF OPERATORS

38. An operator shall,

- (a) maintain the grounds of the establishment orderly, tidy and free from litter;
- (b) keep all grass and herbage cut sufficiently so as,
 - (i) not to harbour mosquitoes or other objectionable insects,
 - (ii) to prevent ripening of weed seeds, and
 - (iii) to present a neat appearance;

(c) take all steps necessary to prevent nuisance within the meaning of sections 82 and 83 of *The Public Health Act* from occurring on the premises;

(d) maintain in proper condition the fences of, and the signs and notices on, his tourist establishment;

(e) keep the buildings painted and repaired and in a clean and sanitary condition; and

(f) provide for each window of a rental unit,

- (i) blinds or curtains that ensure privacy for persons accommodated, and
- (ii) fly screens that are of fire-resistant material.

39.—(1) The operator of a tourist establishment other than a cottage establishment or outpost establishment shall have in attendance at all times during its operation at least one adult employee conversant with the operation of the establishment.

(2) An operator shall,

- (a) display his tourist establishment licence in a conspicuous place near the register;
- (b) display upon each rental unit a distinctive number, letter or name;
- (c) keep posted in every room or building used for sleeping accommodation information specifying the rates, in Canadian currency, charged for the room or building, indicating the highest single rate, the highest double rate, the highest triple rate, the highest rate for four persons and the unit rate if such exists; and
- (d) at the request of an inspector or police officer, produce for inspection any register, licence or notice required under the Act or this Regulation.

(3) An operator shall,

- (a) keep the furnishings, equipment, sanitary facilities and appliances in a state of good repair and in a clean and sanitary condition and free from rodents, vermin and other pests;
- (b) each day place in each washroom and bathroom an adequate supply of soap not previously used;
- (c) keep adequate supplies of toilet paper in each toilet room or privy; and
- (d) where he provides bedding for a guest, keep the bedding in a clean and sanitary condition and supply freshly laundered sheets, pillow cases and towels.

BOATS AND CANOES

40. Where an operator supplies boats, canoes or other watercraft for use of guests, he shall,

- (a) maintain the boats, canoes and watercraft in repair and in a clean and safe condition;
- (b) provide the necessary safety devices that are required by and conform with the provisions of the *Small Vessel Regulations* made under the *Canada Shipping Act*;
- (c) maintain in proper repair all wharves, docks, landing places and boat houses on or used in conjunction with the premises.

GARBAGE

41.—(1) An operator shall,

- (a) place fly-tight metal garbage containers in convenient places and in sufficient numbers;
- (b) ensure that the garbage containers are maintained in a sound and sanitary condition; and
- (c) where there is no municipal garbage removal service, dispose of garbage, waste and refuse by incineration or burial in such manner as will not create a nuisance or pollute water.

(2) A person accommodated shall place garbage, waste and refuse in such garbage containers or other places as the operator designates.

FIRE PREVENTION AND VENTILATION

42. An operator shall,

- (a) conform with *The Hotel Fire Safety Act* and the regulations made thereunder;
- (b) not permit a person accommodated,
 - (i) to light or build a fire except in equipment provided by the operator or in a place he designates, or
 - (ii) to cook food except in a place designated by the operator;
- (c) display or post adequate signs or instructions, or both, informing persons accommodated of the location of fire exits;
- (d) take such precautions as are necessary to prevent heating devices from endangering the health or safety of persons accommodated by,
 - (i) the exhaustion of oxygen from the air, or
 - (ii) the production of carbon monoxide or other noxious gas or smoke; and
- (e) provide such devices and equipment as will ensure that,
 - (i) fresh air is taken into the rental unit from outdoors, and
 - (ii) stale air and noxious fumes are ventilated to the open air.

PART III

RATES

43.—(1) An applicant for a licence in Form 4 shall file with the Minister at the time of his application the rates for sleeping accommodation in the tourist establishment for the current year.

(2) The operator shall advise the Minister by registered mail of any changes in the rates filed with him and no change shall be made until seven days have elapsed after the mailing of the notice.

(3) Rates filed with the Minister shall be consistent with rates quoted to any organization, recommending body or trade association.

PART IV

GRANTS

44.—(1) In this section,

- (a) "region" means an area approved by the Minister under subsection 2;
- (b) "regional organization" means a non-profit organization having as its objects the development and promotion of the tourist industry in a region;
- (c) "year" means the year beginning with the first day of April.

(2) A grant may be paid to a regional organization where,

- (a) the location of the boundaries of the region serviced by the regional organization and the size of the region are, in the opinion of the Minister, appropriate for the efficient development of the tourist industry; and
 - (b) the regional organization is active generally in the region.
- (3) The amount of the grant is the lesser of,
- (a) the amount raised for the purpose of furthering its objects by the regional organization in the year next preceding the year for which the grant is applied, but excluding,
 - (i) any amount in excess of \$500 expended in that year for administrative expenses and salaries or remuneration of the administrative staff, and
 - (ii) any amount received under this Regulation in that year; or
 - (b) \$5,000.

(4) Where a regional organization is formed by the association of two or more tourist organizations, the amount of the grant payable in the first year of its operation shall be computed under subsection 3 as if the amounts raised or expended in the preceding year by the associated organizations were raised or expended by the regional organization.

(5) An application for a grant shall be accompanied by,

- (a) an audited financial statement of the regional organization for its latest completed fiscal year;
- (b) a report of the activities and achievements of the organization in the year next preceding the year for which the grant is applied;
- (c) a description of the plans of the organization for the year for which the grant is applied and estimates of the costs; and
- (d) a statement of the amount expended by the regional organization in its last fiscal year for the purpose of furthering its objects, together with detailed information showing the various purposes for which the money was spent.

(6) A grant is paid subject to the condition that the grant, together with an equal amount of money contributed by the regional organization, is spent in carrying out the plans described in the application for the grant, or any change in the plans approved by the Minister.

(7) A grant given to a regional tourist organization shall be spent by the regional organization in carrying out its objects and shall not be divided among or granted to other organizations within or outside the region.

(8) An application for a grant shall be made in Form 6.

PART V

ADVERTISING MATTER

45.—(1) No advertising matter or sign connected with a tourist establishment shall contain any inaccurate or misleading statement in respect of,

- (a) sleeping accommodation available at the tourist establishment;
- (b) recreational facilities available at, or in the vicinity of, the tourist establishment;
- (c) facilities for transportation to or from the location in which the tourist establishment is situate;
- (d) means and routes of access to the tourist establishment;
- (e) rates or charges for,
 - (i) accommodation,
 - (ii) facilities,
 - (iii) food,
 - (iv) merchandise, or
 - (v) services,
 available at any place mentioned in the advertising matter; or
- (f) the classification of the tourist establishment.

(2) Any advertising matter that advertises rates for accommodation shall state precisely what the rates include and the amount of any extra charges for facilities and services.

(3) Where advertising matter advertises rates for accommodation in a tourist establishment and the operator requires that a prospective guest pay a deposit when he reserves accommodation, the advertising matter shall set out precisely the conditions on which such deposit may be forfeited or refunded.

(4) No advertising matter or sign shall contain the words 'modern conveniences' or any other words or expressions that imply the tourist establishment is equipped with what are commonly known as 'modern conveniences' unless the tourist establishment,

- (a) is adequately equipped with electric lighting;
- (b) has available on the premises for the use of guests local and long distance telephone service, where such service is available;
- (c) is equipped with flush toilets and bathtubs or showers; and
- (d) has available at all times in washrooms used by guests a supply of hot and cold water furnished through pipes and taps.

PART VI

INFORMATION CENTRES

46.—(1) Every information centre shall be of sufficient size to provide basic information services to the public and shall,

- (a) be equipped with a suitable counter or desk and adequate means to properly display tourist literature;
- (b) be equipped with a telephone, where practicable;
- (c) be open to the public for at least six hours a day and six days a week;
- (d) be operated for at least nine weeks during the year;
- (e) be maintained in a clean and orderly condition;
- (f) be furnished with a registration system for the entry of names and addresses of persons to whom tourist information is provided;
- (g) be furnished with adequate reference material; and
- (h) be provided with trained staff or mechanical aids capable of dispensing information to the travelling and vacationing public.

(2) Where an information centre is located in premises used for other purposes, it shall as far as is practicable be kept separate and apart from other businesses or activities.

(3) No person, organization or agency shall display on any premises that do not comply with subsection 1 any sign or device indicating that information for tourists or a similar service is available on the premises.

PART VII

ADMINISTRATION

47. The Minister may accept in lieu of any requirements under Part II of this Regulation such compliance as he deems equivalent thereto.

48. Any licence issued under any predecessor of this Regulation subsisting before this Regulation comes into force shall continue to subsist until,

- (a) it is suspended or cancelled;
- (b) it is replaced by a licence issued under the Act and this Regulation; or
- (c) the 31st day of March, 1967 whichever occurs first.

49. Ontario Regulation 200/65 is revoked.

Applications to Parliament Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

- (a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.
- (b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.
- (c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250, and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

- 1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.
- 2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to the Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them,

in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

All and Singular that certain parcel or tract of land and premises, situate, lying and being in the Township of Monmouth, in the Provisional County of Haliburton, and being composed of the E. $\frac{1}{2}$ of the E. $\frac{1}{2}$ of Lot No. 8 in the 7th Concession of the said Township of Monmouth, comprising 15 acres more or less, save and except that part heretofore acquired for highway purposes and shown outlined in red on plan of survey attached to instrument No. 197, which is more particularly described as follows:

All that portion of Lot 8, Concession 7, in the Township of Monmouth, in the Provisional County of Haliburton, in the Province of Ontario, having an area of 2.044 acres, more or less, shown marked red on the plan of survey P-2945 and being a strip of land 66 feet wide lying between two lines drawn parallel to, on the opposite sides of and distant 33 feet measured perpendicularly from a centre line and centre line produced and which centre line may be located as follows: Premising that all bearings herein are astronomic and are referred to the meridian through the southwest corner of the Township of Monmouth in longitude $78^{\circ} 18' 30''$ west, commencing at the point of intersection of the said centre line with the west limit of Lot 8, distant 286.75 feet measured south $20^{\circ} 51' 50''$ east, thereon from the northwest corner of Lot 8; thence easterly 124.75 feet on a curve right of 1432.40 feet radius, the chord equivalent being 124.72 feet measured north $87^{\circ} 45' 57''$ east, to the end of the curve; thence south $89^{\circ} 44' 20''$ east, 891.67 feet; thence easterly 332.66 feet on a curve left of 1145.92 feet radius, the chord equivalent being 331.44 feet, measured north $81^{\circ} 56' 46''$ east, to a point in the east limit of Lot 8,

distant 655.07 feet measured south $20^{\circ} 52'$ east, thereon from the northeast corner of Lot 8. Saving and excepting all ores, mines and minerals.

On the premises is said to be erected a half-completed cottage. All of which said right, title, interest and equity of redemption of the said Patricia M. Hodson, one of the Defendants, in the said lands and tenements I shall offer for sale by public auction in my office in the County Court House, Lindsay, Ontario, on Thursday, the 23rd day of February, 1967, at 2.00 o'clock in the afternoon.

Dated at Lindsay this 2nd day of November, 1966.

1. Subsection 1 of section 3 of Ontario Regulation 286/63, as amended by section 2 of Ontario Regulation 251/64 and section 1 of Ontario Regulation 265/65, is revoked and the following substituted therefor:

- (1) The holder of a licence in Form 7, 10, 11 or 12 of Ontario Regulation 229/63 may hunt pheasants between the hours of 9 a.m. and 12 noon, and between 1 p.m. and 5 p.m. on any day, except Sunday, from the Wednesday following the second Monday in October to the 30th day of November, in each year in Darlington Provincial Park and in those areas of Presqu'île Provincial Park and Sibbald Point Provincial Park described in schedules 1 and 2, respectively, and may possess or use a shot gun for the purpose, upon condition that,

- (a) he deposits his licence with the officer in charge and obtains a licence in Form 2;

- (b) he pays a fee of \$5 for each day he hunts in the park;

- (c) there are not more than twenty-four other persons hunting in,

- (i) Darlington Provincial Park, or

- (ii) the area described in Schedule 1,

at the time he presents his licence to the officer in charge;

- (d) there are not more than forty-five other persons hunting in the area described in Schedule 2 at the time he presents his licence to the officer in charge;

- (e) he ceases to hunt between the hours of 12 noon and 1 p.m. and reports to the officer in charge before 12.30 p.m.; and

- (f) he does not shoot or attempt to shoot pheasants that are on the ground.

2. Schedule 2 of Ontario Regulation 286/63 is revoked and the following substituted therefor:

Schedule 2

In the Township of Georgina in the County of York and described as follows:

Premising that the bearings hereinafter mentioned are astronomical and are referred to the meridian passing through the northwesterly corner of Lot 7 in Concession VIII in the Township of Georgina.

Firstly: Beginning at a point in the southerly limit of Lot 9 distant 551.61 feet measured north 72° 19' 20" east along the southerly limit of the said lot from the southwesterly corner thereof; thence south 72° 19' 20" west along the southerly limits of lots 9, 8 and 7 in Concession VIII, 4425.31 feet to the southwesterly corner of Lot 7; thence north 16° 47' west along the westerly limit of the last-mentioned lot a distance of 791.98 feet to the southeasterly limit of the entrance road to Sibbald Point Provincial Park; thence north 53° 22' 30" east along the said southeasterly limit 1226.92 feet; thence on a curve to the left of radius 1170.41 feet following the southerly limit of the said entrance road an arc distance of 1347.36 feet; thence north 12° 35' west along the easterly limit of the said road 1214.56 feet; thence north 17° 09' west along the said easterly limit of the said road 261.54 feet to the southerly limit of the road along the southerly side of the beach parking area; thence north 79° 26' east along that limit and the easterly production of that limit of road, 2377 feet, more or less, to a point in that part of the easterly limit of the park which is also the westerly limit of Block "A" as shown on Registered Plan No. 268; thence south 17° 44' 10" east along the westerly limit of the said Block "A", a distance of 997 feet, more or less, to an angle therein; thence south 17° 35' 20" east along the easterly limit of Sibbald Point Provincial Park, 2372.77 feet, more or less, to the place of beginning.

Secondly: Beginning at a point in the westerly limit of Lot 7 in Concession VIII being in the northwesterly limit of the entrance road to Sibbald Point Provincial Park and distant 855.76 feet measured north 16° 47' west along the aforesaid westerly limit from the southwesterly corner of that lot; thence north 53° 22' 30" east along that northwesterly limit 1215.89 feet; thence northeasterly on a curve to the left having

a radius of 1110.41 feet an arc distance of 1278.29 feet the chord equivalent being 1208.87 feet measured north 20° 23' 45" east; thence north 12° 35' west along the westerly limit of that road 1212.16 feet; thence north 17° 19' west continuing along that westerly limit 392.61 feet to the beginning of a curve to the left; thence north 76° 10' west 150 feet to the northerly limit of a swamp; thence south 68° 40' west along that northerly limit 560 feet; thence south 57° 15' west continuing along that northerly limit 1370 feet, more or less, to the intersection with the westerly limit of said Lot 7; thence southerly along that westerly limit 2624.24 feet, more or less, to the place of beginning.

THE APPRENTICESHIP AND TRADESMEN'S QUALIFICATION ACT, 1964

O. Reg. 336/66.

Radio and Television Service Technicians.

Made—October 27th, 1966.

Filed—November 8th, 1966.

REGULATION MADE UNDER THE APPRENTICESHIP AND TRADESMEN'S QUALIFICATION ACT, 1964

RADIO AND TELEVISION SERVICE TECHNICIANS

1. In this Regulation,

- (a) "certified trade" means the trade of radio and television service technician;
- (b) "radio and television service technician" means a person who,
 - (i) has a working knowledge of the use and operation of the tools and testing equipment of the certified trade,
 - (ii) understands the theory of the certified trade and shop techniques, and
 - (iii) assembles, installs, tests, adjusts, overhauls, repairs or replaces radio, television, amplifier or other related electronic equipment,

but does not include a person who is,

- (iv) engaged in the manufacture of radio, television, amplifier or other related electronic equipment,
- (v) employed in the repair and maintenance of radio, television, amplifier or other related electronic equipment in an industrial plant, or
- (vi) engaged in the wiring of radio, television, amplifier or other related electronic equipment to an external power source.

2. The trade of radio and television service technician is designated as a certified trade for the purposes of the Act.

3. Subject to sections 4 and 5, an apprentice training programme is established for the certified trade and shall consist of four periods of training and instruction of 2,000 hours each,

- (a) at full-time educational day classes provided at a Provincial Institute of Trades, or an equivalent course of training and instruction approved by the Director; and
- (b) in practical training and instruction provided by an employer of the apprentice in the courses contained in the Schedule.

4. Where the apprentice holds a Secondary School Graduation Diploma, the apprentice training programme for the trade shall consist of four periods of training and instruction of 1,500 hours each.

5. Where the apprentice completes an electronics course approved by the Director, two hours credit for each hour of training and instruction completed at the trade school shall be granted towards the apprenticeship up to a maximum of two periods and the balance of time to be served as an apprentice shall be completed in two periods of practical training and instruction provided by the employer of the apprentice.

6.—(1) The hourly rate of wages for an apprentice serving apprenticeship of four periods of 2,000 hours each, whether for his regular daily hours or for hours in excess of his regular daily hours, shall be not less than,

- (a) 40 per cent during the first period of training and instruction;
- (b) 50 per cent during the second period of training and instruction;
- (c) 60 per cent during the third period of training and instruction; and
- (d) 80 per cent during the fourth period of training and instruction,

of the hourly rate of wages or its equivalent for a journeyman employed by the same employer in the certified trade and with whom the apprentice is working.

(2) Where the apprentice is the holder of a Secondary School Graduation Diploma, the hourly rate of wages, whether for his regular daily hours or for hours in excess of his regular daily hours, shall not be less than,

- (a) 50 per cent during the first period of training and instruction;
- (b) 60 per cent during the second period of training and instruction;
- (c) 70 per cent during the third period of training and instruction; and
- (d) 80 per cent during the fourth period of training and instruction,

of the hourly rate of wages or its equivalent for a journeyman employed by the same employer in the certified trade and with whom the apprentice is working.

(3) Where the apprentice completes an electronics course referred to in section 5, the hourly rate of wages for an apprentice, whether for his regular daily hours or for hours in excess of his regular daily hours, shall not be less than,

- (a) 60 per cent during the first period of training and instruction; and
- (b) 80 per cent during the second period of training and instruction,

of the hourly rate of wages or its equivalent for a journeyman employed by the same employer in the certified trade and with whom the apprentice is working.

7. The subjects of examination for an apprentice in the certified trade are the subjects set out in column 1 of the Schedule.

8. Any person who is engaged in the certified trade is exempt from subsections 2 and 3 of section 10 of the Act.

9. A holder of a certificate of qualification in the certified trade is exempt from the provisions of sections 21 and 22 of Ontario Regulation 279/64.

ITEM	COLUMN 1	COLUMN 2
	Subject	Instruction to be Given
1	Elementary Mathematics	Fractions and decimals. Measurements. Graphs. Powers. Roots. Squares. Square Root.
2	Electrical Fundamentals	Electron structure theory. Ions and ionization. Nature of electric current. Insulators and conductors. Static and dynamic electricity. Batteries. Electrical units. Direct Current circuit laws. Series. Parallel. Series parallel and complex circuits. Energy and power in the Direct Current circuit. Voltage dividers. Resistor colour codes. Magnetism and electro-magnetic induction. Self inductance. Inductors. Counter Electromotive force. Transformer fundamentals. Capacitor and units of capacitance. Capacitor colour codes. Charge and discharge of capacitors. Dielectric constant. Time constant. Paper, mica, ceramic and electrolytic capacitors. Capacitors in series and in parallel. Alternating currents. Sine wave. Alternation. Hertz. Frequency. Amplitude. Peak and root mean square values. Average value. Ohm's law and alternating current circuits. Vectors and their use. Reactance. Impedance. Power factor. Resonance in series and parallel resonant circuits.
3	Electronic Fundamentals	<i>Vacuum Tubes</i> Vacuum tube structure. Thermionic emission. Space charge. Diodes. Rectification and detection. Triode characteristics. Triode amplifier. Triode detectors. Plate resistance. Plate load. Transconductance. Stage gain. Inter-electrode capacities. Bias methods. Tetrode characteristics. Beam power. Tetrode. Pentode characteristics. Power pentode. <i>Transistors</i> Atomic theory and semiconductor physics. Donor and acceptor atom impurities. Semiconductor diodes. Transistor biasing. Transistor action. Transistor configurations. Transistor amplifier characteristics.
4	Amplification and Amplifiers	<i>Vacuum Tubes</i> Audio amplification. Coupling methods. Classes of operation (A, AB, C). Voltage and power amplification. Phase relationships. Single ended amplifier. Push-pull amplifier circuits and operation. Load lines. Phase inverters. Tone controls (treble and bass). Types and causes of audio distortion. Frequency response characteristics. Methods of improving high and low frequency response in voltage amplifiers. Undistorted power output. Power sensitivity. Load lines. DB gain. Radio frequency amplifiers. Grounded grid radio frequency amplifier. <i>Transistors</i> Transistor amplifiers. Bias stabilization. Load lines. Single ended power amplifier. Push-pull amplifiers. Phase inverters. Complementary amplifier circuits.
5	Power Supplies	Transformer operated types. Transformerless types. Full wave rectifiers. Half wave rectifiers. Bridge rectifiers. Voltage doublers. Autotransformer power supplies for low voltage circuits (transistors). Filter circuits and their characteristics.
6	Oscillators	Principle of operation. Types and characteristics: Armstrong, Hartley, Colpitts. Crystal controlled. Electron coupled. Blocking oscillators. Multi-vibrators.

O. Reg. 337/66.

Establishment of Local Roads Areas.
Made—November 2nd, 1966.
Filed—November 8th, 1966.

ORDER MADE UNDER
THE LOCAL ROADS BOARDS ACT, 1964

1. Ontario Regulation 54/65, as amended by Ontario Regulations 87/65, 108/65, 121/65, 132/65, 55/66, 66/66, 78/66, 99/66, 117/66, 140/66, 144/66, 153/66 and 209/66, is further amended by adding thereto the following schedules:

Schedule 85

BLINDFOLD LAKE LOCAL ROADS AREA

All that portion of the Township of Kirkup in the Territorial District of Kenora, shown outlined on Department of Highways plan N-498-1, filed in the office of the Registrar of Regulations at Toronto as No. 717.

Schedule 86

ROCK LAKE LOCAL ROADS AREA

All that portion of the Township of Servos in the Territorial District of Sudbury, shown outlined on Department of Highways plan N-838-1, filed in the office of the Registrar of Regulations at Toronto as No. 718.

Schedule 87

DAWSON ROAD LOCAL ROADS AREA

All of the Dawson Road Lots, including Mining Claims JK. 159, JK. 161, JK. 162 and gravel pit in the Territorial District of Thunder Bay, shown outlined on Department of Highways plan N-600-1, filed in the office of the Registrar of Regulations at Toronto as No. 719.

Schedule 88

HARDWICK LOCAL ROADS AREA

All of the Township of Hardwick in the Territorial District of Thunder Bay, shown outlined on Department of Highways plan N-1110-1, filed in the office of the Registrar of Regulations at Toronto as No. 720.

Schedule 89

OTTO LOCAL ROADS AREA

All that portion of the Township of Otto in the Territorial District of Timiskaming, shown outlined on Department of Highways plan N-449-1, filed in the office of the Registrar of Regulations at Toronto as No. 721.

Dated at Toronto, this 2nd day of November, 1966.

THE DEPARTMENT OF EDUCATION ACT

O. Reg. 339/66.

Elementary and Secondary Schools—General.
Made—July 19th, 1966.
Approved—July 28th, 1966.
Filed—November 10th, 1966.

REGULATION MADE UNDER
THE DEPARTMENT OF EDUCATION ACT

1.—(1) In this Regulation,

- (a) "commercial director" means the teacher who is in charge of the business and commercial subjects in a vocational or composite school;
- (b) "composite school" means a school used jointly by vocational school pupils and high school or collegiate institute pupils;
- (c) "department" means a division of the organization of a secondary school wherein the equivalent of the full time of two teachers is used in teaching the courses of study in one or more subjects by three or more teachers, under the direction and supervision of one of them;
- (d) "head of a department" means the teacher appointed to direct and supervise the work of other teachers in the department;
- (e) "inspector" means an inspector of elementary or secondary schools, as the case may be;
- (f) "Interim High School Assistant's Certificate, Type B" includes an Interim High School Assistant's Certificate granted before the 1st day of July, 1945, and a Permanent High School Assistant's Certificate;
- (g) "Interim High School Assistant's Certificate, Type A" includes an Interim High School Specialist's Certificate granted before the 1st day of July, 1945, and a High School Specialist's Certificate;
- (h) "Interim Vocational Certificate, Type B" includes an Interim Ordinary Vocational Certificate granted before the 1st day of January, 1956, and a Permanent Vocational Certificate;
- (i) "Interim Vocational Certificate, Type A" includes an Interim Vocational Specialist's Certificate granted before the 1st day of January, 1956, and a Vocational Specialist's Certificate;
- (j) "parent" includes guardian;
- (k) "school" means an elementary or secondary school, as the case may be;
- (l) "Secondary School Principal's Certificate" includes an Interim Secondary School Principal's Certificate and the combination of a High School Principal's Certificate and a Vocational School Principal's Certificate;
- (m) "special vocational school" means a vocational school in which only courses not leading to the Secondary School Graduation Diploma are offered;
- (n) "technical director" means the teacher who is in charge of drafting and shop work subjects in a vocational or composite school.

(2) Where an interim certificate is specified, a permanent certificate is equally valid.

ACCOMMODATION

2.—(1) The plans of a school to be erected, added to or altered shall be submitted to the Minister for his approval, together with the details of the site thereof.

(2) Where the average attendance in any classroom of an elementary school exceeds forty for a school year, an additional teacher and classroom shall, upon the recommendation of the inspector, be provided by the board.

(3) Where a secondary school has five or more teachers, there shall not be fewer than one teacher for every thirty pupils enrolled in the school.

DAILY SESSIONS

3.—(1) The number of hours of instruction shall not be fewer than five in each school day.

(2) Notwithstanding subsection 1, the board may reduce the school day to a minimum of $2\frac{1}{2}$ hours for pupils in kindergarten and Grade 1.

(3) The noon recess for pupils and teachers shall not be less than forty minutes.

(4) In schools not operated on a rotary system, there shall be for every pupil a morning and an afternoon recess of from 10 to 15 minutes in each case which shall be included in the minimum period of instruction required in subsection 1, but in schools operated in whole or in part on a rotary system, the provision for recesses or intervals between periods shall be at the discretion of the principal, subject to the approval of the board.

(5) Unless the board directs otherwise, pupils registered in schools shall assemble for study at 9 a.m. and be dismissed not later than 4 p.m.

(6) Except with the approval of the Minister, classes shall not be held before 8 a.m. or after 5 p.m.

(7) The board may determine the period of time during each school day when the school building and the playgrounds shall be open to the pupils and, where not determined by the board, the building and the playgrounds shall be open to the pupils during the period beginning fifteen minutes before classes begin for the day and ending fifteen minutes after classes end for the day.

OPENING OR CLOSING EXERCISES

4. *God Save the Queen* or *O Canada*, or both, shall be part of the daily opening or closing exercises in a school.

FLAG

5.—(1) Every school shall fly the National Flag of Canada on such occasions as the board directs.

(2) The board may provide for the display in the school of,

(a) the National Flag of Canada; or

(b) the National Flag of Canada and the Provincial Flag of the Province of Ontario.

FIRE DRILL

6.—(1) The principal shall hold fire drill in the school,

(a) at least three times during the fall term; and

(b) at least once during each of the periods January to March and April to June.

(2) Every pupil and teacher shall take part in fire drill.

TEXTBOOKS AND REFERENCE BOOKS

7.—(1) The principal shall select from the approved list of textbooks, the textbooks for the use of the pupils in Grades 1 to 12, both inclusive.

(2) Where no textbook for a subject is included in the approved list, the principal shall select suitable textbooks where required and such textbooks that are being introduced for use in the school for the first time shall be subject to the approval of the board.

(3) A board shall purchase and provide without charge, and in sufficient quantity, the textbooks selected in subsections 1 and 2 for the use of pupils in Grades 1 to 12, both inclusive, in schools under the jurisdiction of the board.

GRADES 9 AND 10 IN ELEMENTARY SCHOOLS

8.—(1) Subject to subsections 2 and 3, an elementary school board shall provide instruction in the subjects of Grades 9 and 10 for pupils within its school section or separate school zone, but no pupil is entitled to receive instruction unless he has been promoted from Grade 8 to Grade 9 or is, in the opinion of the principal and the inspector, competent to receive instruction.

(2) An elementary school board whose area of jurisdiction is within a secondary school district shall not be required to provide instruction in the subjects of Grades 9 and 10.

(3) An elementary school board whose area of jurisdiction is not within a secondary school district may, in lieu of providing instruction in the subjects of Grades 9 and 10, transport the pupils to a secondary school.

GRADE 13

9. Where a secondary school has fewer than four full-time teachers, Grade 13 courses of study shall not be taught except with the approval of the Minister.

COLLEGIATE INSTITUTES

10.—(1) Where a high school has at least five teachers each of whom holds an Interim High School Assistant's Certificate, Type A, or a High School Specialist's Certificate, the Minister may designate the high school as a collegiate institute.

(2) Where a high school that has been designated as a collegiate institute no longer complies with subsection 1, the Minister may redesignate the collegiate institute as a high school.

APPRENTICES IN INDUSTRY

11. A secondary school board may, with the approval of the Minister, provide training for apprentices in industry in day or evening courses of study.

EVENING COURSES OF STUDY

12.—(1) A board may establish evening courses of study.

(2) The subjects for evening courses of study, the number of times that an evening course of study shall be held each week, and the length of time per evening of each evening course of study shall be determined by the board, except that the evening courses of study offered by an elementary school board shall be selected from the day-school courses of study for elementary schools.

(3) The accommodations and equipment of a day school may be used for evening courses of study.

(4) Evening courses of study are subject to the same regulations as day schools with respect to management, discipline of students, duties and qualifications of teachers, and the use of textbooks.

(5) A person who teaches evening courses of study but who does not hold a certificate qualifying him to teach the courses of study in a day school shall have qualifications acceptable to the Minister.

(6) The principal of a day school shall be the principal of the evening courses of study in that school unless, with the approval of the Minister, the board by resolution appoints a person who has the qualifications for the position.

(7) The principal of evening courses of study,

(a) shall be responsible for the admission of students; and

(b) shall determine the course of study or courses of study to which a student may be admitted.

(8) The school year for evening courses of study shall consist of two terms that shall begin and end on dates determined by the board.

(9) Unless otherwise approved by the Superintendent of Supervision, the minimum enrolment of students in an evening course of study at the beginning of the first term shall be fifteen.

(10) Subject to subsection 11, where the average attendance of students in an evening course of study for the first term is under ten, the course of study shall not be continued in the second term without the consent of the Superintendent of Supervision.

(11) In the case of a course of study in English and Citizenship or French and Citizenship, or both, for newcomers to Canada where the average attendance of students for the first term is under six, the course of study shall not be continued in the second term without the consent of the Superintendent of Supervision.

(12) A pupil who attends a day school shall not be admitted to an evening course of study except with the approval of the principal of the day school.

(13) With the approval of the Minister, a board may establish evening courses of study in post-Grade 12 business and commercial or technical subjects, and the Minister shall, upon the recommendation of the principal of the day school, grant a certificate to a student who has successfully completed his course.

(14) The certificate referred to in subsection 13 shall,

(a) specify the course of study taken and the subjects thereof;

(b) state the length of the course of study; and

(c) be signed by the Minister, the principal of the day school and the chairman of the board.

(15) Two or more boards may combine and establish evening courses of study in a school operated by one of the boards.

CLOSING SCHOOLS FOR CONFERENCES

13. A principal may close his school for one day in the school year to allow members of the staff to attend a teachers' institute or a regional educational conference and at least one week before such closing, shall notify the inspector.

QUALIFICATIONS FOR PRINCIPALS OF ELEMENTARY SCHOOLS

14.—(1) The teacher of a one-room elementary school is the principal, and the head teacher of an elementary school with more than one teacher is the principal.

(2) Subject to subsection 3, no person shall be the principal of an elementary school having an enrolment of 300 or more pupils unless he holds,

(a) a Permanent First Class Certificate or a Permanent Elementary School Teacher's Certificate; and

(b) the degree of Bachelor of Arts or Bachelor of Science from an Ontario university or a degree the Minister deems equivalent thereto.

(3) Where a teacher who is otherwise qualified but does not hold the university degree required under clause *b* of subsection 2 was employed by a board prior to the first day of September, 1961, as principal of an elementary school having an enrolment of 300 or more pupils, he shall be deemed to be qualified under clause *b* of subsection 2 as principal of any such elementary school operated by that board.

(4) A teacher in charge of more than one elementary school shall be known as a supervising principal.

(5) A supervising principal shall have the same qualifications as a principal and may act as the principal of only one of the elementary schools of which he has charge.

(6) Where a teacher who is otherwise qualified but does not hold the university degree required under clause *b* of subsection 2 was employed by a board as a supervising principal prior to the 1st day of September, 1961, he shall be deemed to be qualified under clause *b* of subsection 2 as supervising principal of the elementary schools operated by that board.

- (a) an Interim Vocational Certificate, Type B, in Instrumental Music; or

- (b) an Interim Specialist Certificate in Instrumental Music.

35. A teacher of physical education in a secondary school shall hold,

- (a) an Interim High School Assistant's Certificate, Type A, in Physical Education; or

- (b) an Interim High School Assistant's Certificate, Type B, and an Intermediate Physical and Health Education Certificate, Type A.

36.—(1) A teacher who teaches shop work and drafting of the limited technical course full time in a secondary school shall hold,

- (a) an Interim Intermediate Industrial Arts Certificate; or

- (b) an Interim Vocational Certificate, Type B.

(2) Notwithstanding section 32, a teacher who teaches shop work and drafting of the limited technical course and industrial arts of the Arts and Science Branch or the Business and Commerce Branch full time in a secondary school shall hold,

- (a) an Interim Intermediate Industrial Arts Certificate; or

- (b) an Interim Vocational Certificate, Type B.

DUTIES OF TEACHERS

37. A teacher shall, in addition to his duties under *The Schools Administration Act*,

- (a) be responsible for effective instruction and training in the subjects assigned to him and for the management of his class or classes;
- (b) prepare for use in his class or classes such teaching plans and outlines as are required by the principal and the inspector and submit the plans and outlines to the principal or inspector, as the case may be, on request;
- (c) carry out the supervisory duties assigned by the principal; and
- (d) where heads of departments or supervisors have been appointed, co-operate with heads of departments or supervisors, as the case may be, and with the principal in securing a suitable selection, arrangement and correlation of the subject matter and materials of instruction.

APPOINTMENT OF UNQUALIFIED PERSONS AS TEACHERS

38.—(1) A board may in case of emergency appoint an unqualified person as a teacher for a period not exceeding two weeks.

(2) Where a board, after advertising at least three times in a newspaper with provincial circulation and stating a salary, is unable to obtain a qualified teacher, the Minister, upon the application of the board, may accept such qualifications as he deems equivalent thereto in lieu of those prescribed for teachers.

(3) Where the Minister accepts the qualifications of a person not holding the required certificate for a teaching position, he may grant a letter of permission authorizing the board to employ that person as a teacher for the period set forth in the letter, but not exceeding one year.

PSYCHIATRISTS AND PSYCHOLOGISTS

39.—(1) A psychiatrist or a psychologist employed by a board shall have the qualifications as required by paragraph 2a of section 35 of *The Schools Administration Act*.

(2) A psychiatrist or a psychologist employed by a board shall perform such professional functions as are determined by the board and approved by an inspector of special education.

REQUIREMENTS FOR PUPILS

40.—(1) A pupil shall,

- (a) attend classes punctually and regularly;
- (b) submit to such discipline as would be exercised by a kind, firm and judicious parent;
- (c) be neat and clean in his person and habits, diligent in his studies, courteous to his fellow pupils and obedient and respectful to the teachers; and
- (d) take such tests and examinations as are required by the Department.

(2) When a pupil returns to school after an absence, his parent shall, orally or in writing as the principal requires, give the reason for the absence.

(3) A pupil may temporarily retire from school at any time at the oral or written request of his parent and with the consent of the principal.

(4) Where the principal believes that a pupil is making an unjustifiable use of the privilege of retiring from school, he shall promptly notify the board.

(5) Every pupil is responsible to the principal for his conduct on the school premises or while travelling on a school bus that is owned by or under contract to the board.

INJURY TO SCHOOL PROPERTY

41. Where a pupil injures or destroys school property and the pupil or parent does not compensate the board for the injury or destruction within a reasonable time, the principal shall submit the matter to the board.

ADVERTISEMENTS

42. No advertisement shall be placed in a school or on school property or announced to the pupils without the consent of the board.

INSPECTION

43.—(1) Notwithstanding section 16, the inspector, in addition to his duties under *The Schools Administration Act*, may, during his visit to a school, assume any of the authority exercised by the principal.

(2) With the approval of the Minister, a reciprocal arrangement may be made whereby,

- (a) a member of the teaching staff in a college of education and a secondary school inspector; or
- (b) a master in a teachers college and an elementary school inspector,

may exchange duties for a specified period of time.

(3) Where an exchange referred to in subsection 2 is made, the member of the teaching staff in a college of education shall have the authority of, and shall assume the duties of a secondary school inspector and the master in a teachers college shall have the authority of, and shall assume the duties of an elementary school inspector.

RELIGIOUS EXERCISES AND RELIGIOUS EDUCATION IN THE PUBLIC SCHOOLS

44.—(1) A public school shall be opened or closed each school day with religious exercises consisting of the reading of the Scriptures and the repeating of the Lord's Prayer or other prayers approved for use in schools.

(2) The Scripture passages, forming a part of the religious exercises referred to in subsection 1, shall be read daily and systematically at the opening or closing of every public school and may be chosen from any list of selections adopted by the Department for use in public schools, or from any other public school list approved by the Minister, as the public school board by resolution directs.

(3) Where the board does not pass a resolution under subsection 2, the principal shall make the selection after notifying the board of his intention, but his selection is subject to revision by the board at any time.

(4) The religious exercises held at the daily opening or closing of public schools may include the singing of one or more hymns authorized for use in public schools.

(5) Two periods per week of one-half hour each, in addition to the time assigned to religious exercises at the opening or closing of public school, shall be devoted to religious education.

(6) Religious education shall be given immediately after the opening of public school or immediately before the closing of school in either the morning or the afternoon session.

(7) Instruction in religious education shall be given by the teacher in accordance with the course of study authorized for that purpose by the Department, and issues of controversial or sectarian nature shall be avoided.

(8) By resolution of the board, a clergyman or clergymen of any denomination, or a lay person or lay persons selected by the clergyman or clergymen, may give religious instruction, in lieu of a teacher or teachers.

(9) Where two or more clergymen of different denominations, or lay persons selected by the clergymen, upon written application to the board, secure permission to give religious instruction, the principal of the school, by resolution of the board, shall arrange for such accommodation within the school and such times within the periods referred to in subsection 6 as are agreeable to both the principal and the clergymen or the lay persons selected by the clergymen.

(10) Where the number of rooms in the public school is insufficient to meet the needs of the groups organized for religious instruction under subsections 8 and 9, the principal of the school, by resolution of the board, may arrange for additional accommodation elsewhere.

(11) No pupil shall be required to take part in any religious exercises or be subject to any instruction in religious education where his parent applies to the principal of the school for exemption of the pupil from religious instruction.

(12) In public schools without suitable waiting rooms or other similar accommodation, if the parent of a pupil applies to the principal for the exemption of the pupil from attendance while religious exercises are being held or religious education given, such request shall be granted.

(13) Where a parent of a pupil objects to the pupil taking part in religious exercises or being subject to instruction in religious education, but requests that the pupil remain in the school-room during the time devoted to religious exercises or instruction in religious education, the principal shall permit the pupil to do so, if he maintains decorous behaviour.

(14) If, because of his right to be absent from religious exercises or instruction in religious education, any pupil is not present in the classroom during the periods specified for religious exercises or instruction in religious education, his absence shall not be considered a contravention of the rules of the school.

(15) A teacher, claiming exemption from the teaching of religious education as prescribed by this section, shall notify the board to that effect in writing and the board shall make such other provision as is necessary to implement this section with respect to the teaching of religious education.

(16) The Minister may grant to a board exemption from the teaching of religious education in any classroom or school if the board requests in writing the exemption and submits reasons for its request.

(17) The inspector shall each year bring to the attention of the boards of trustees of his inspectorate the provisions of this section relating to religious exercises and religious education.

RELIGIOUS EXERCISES AND RELIGIOUS EDUCATION IN THE SECONDARY SCHOOLS

45.—(1) A secondary school shall be opened or closed each school day with religious exercises consisting of the systematic reading of the Scriptures and the repeating of the Lord's Prayer.

(2) A board may by resolution direct the principal to choose the Scripture passages from the Bible or from *Bible Readings for Schools*, issued by the Department.

(3) Where the board does not pass a resolution, the principal shall, after notifying the board, select the Scripture passages from the Bible or from *Bible Readings for Schools*, issued by the Department.

(4) The Scripture passages selected by the principal may be changed by resolution of the board for other passages from the Bible or from *Bible Readings for Schools*, issued by the Department.

(5) As part of the religious exercises the board may direct,

- (a) the teacher and the pupils to read Scripture passages at the close of the school day; and
- (b) the principal to suggest Bible passages to be memorized by the pupils.

(6) A clergyman or any person selected by him may be authorized by resolution of the board to give religious instruction to pupils of his own denomination at a time during the school day allotted by the principal, but the time so allotted by the principal shall not exceed one hour a week for any one class.

(7) The clergymen of a number of denominations may be authorized by resolution of the board to select a lay person to give religious instruction to the pupils of those denominations at such times during the school day as are allotted by the principal, but the times so allotted by the principal shall not exceed one hour a week for any one class.

(8) Where,

- (a) more than one clergyman obtains the board's permission to give religious instruction; and
- (b) the school accommodation is insufficient for the instruction to be given at the same time,

the board shall by resolution determine the day of the week that accommodation will be available for each denomination.

(9) Religious instruction in a secondary school shall be given in the school building.

(10) Where a parent of a pupil objects to the pupil taking part in religious exercises or being subject to instruction in religious education, the pupil may leave the classroom during the exercises or instruction or remain in the classroom, whichever the parent directs.

(11) Before the teacher, clergyman or lay person selected by the clergyman commences a religious exercise, a pupil on whose behalf objection has been made shall be allowed to leave the classroom.

(12) A teacher, claiming exemption from the teaching of religious education as prescribed by this section, shall notify the board to that effect in writing and the board shall make such other provision as is necessary to implement this section with respect to the teaching of religious education.

(13) No religious emblem of a denominational nature shall be exhibited in a secondary school during school hours, except during the time allotted by the principal to religious instruction.

Applications to Parliament Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House

after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

- (a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.
- (b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.
- (c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250, and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to the Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

THE DEPARTMENT OF EDUCATION ACT

O. Reg. 351/66.

General Legislative Grants.

Made—October 28th, 1966.

Approved—November 10th, 1966.

Filed—November 17th, 1966.

REGULATION MADE UNDER
THE DEPARTMENT OF EDUCATION ACT

1. Ontario Regulation 24/66, as amended by Ontario Regulation 139/66, and Ontario Regulation 256/66, is further amended by adding thereto the following Part:

PART 7a

38a. An expenditure for the construction or acquisition of a class-room eligible for the grant provided in subsection 1 of section 38b or in section 38c shall not be included in recognized extraordinary expenditure as defined in subsection 15 of section 13.

38b.—(1) Where in a territorial district, on or after the 1st day of January, 1966,

- (a) the area under the jurisdiction of an elementary-school board is enlarged by the addition of an area previously under the jurisdiction of another elementary-school board;
- (b) one or more one-room or two-room schools in the enlarged area is closed; and
- (c) additional class-room accommodation is required by the board of the enlarged area,

the board of the enlarged area shall, in the year in which the additional class-room accommodation is acquired, be paid a grant of the lesser of,

- (d) the expenditure for the construction or acquisition of the number of class-rooms,

(i) that are,

- a. added by the board to an existing central school,
- b. in a new central school built by the board, or
- c. in a central school purchased by the board from another board,

- (ii) that are approved by the Minister for grant purposes within five years subsequent to the enlargement of the area, and

- (iii) that are not in excess of the number of one-room or two-room schools in the enlarged area that are closed and in each of which the enrolment on the last school-day of September in the year preceding that in which the school was closed was ten or more; and

- (e) \$20,000 for each class-room constructed or acquired under clause d.

(2) Notwithstanding the provisions of subclause iii of clause a of subsection 11 of section 13, where a board qualifies for the grant provided in subsection 1 of this section, the number of class-room units in respect of former school-sections or former separate-school zones in which no school is operated, shall, for five years subsequent to the enlargement of the area, be the product of .5 and the number of former sections or zones included in the area under the jurisdiction of the board in which no school was in operation on the last school-day of the preceding year.

(3) Notwithstanding the provisions of subsection 1 of section 24, the board of an elementary school in a territorial district that operates a school in which the enrolment on the last school-day of September of the preceding year was ten or more and that becomes part of an enlarged area, shall, in the year preceding that in which it becomes part of the enlarged area, be paid a grant of \$300.

(4) Notwithstanding the provisions of subsection 2 of section 24, where a board qualifies for the grant provided in subsection 1 of this section, the board shall, for five years subsequent to the enlargement of the area, be paid a grant of \$500 for each former school-section or former separate-school zone added to the area under its jurisdiction at the time of enlargement.

38c. Where in a territorial district, on or after the 1st day of January, 1966 but before the 31st day of December, 1967,

- (a) an elementary-school board that operates a central school agrees to provide education for an elementary-school board that operated a school prior to the 1st day of January, 1966 but ceased to operate the school subsequent to the signing of the agreement; and
- (b) additional class-room accommodation is required by the board that operates the central school,

the board that operates the central school shall, in the year in which the additional class-room accommodation is acquired, be paid a grant of the lesser of,

- (c) the expenditure for the construction or acquisition of the number of class-rooms,

(i) that are,

- a. added by the board to an existing central school,
- b. in a new central school built by the board, or
- c. in a central school purchased by the board from another board,

- (ii) that are approved by the Minister for grant purposes within five years subsequent to the signing of the agreement, and

- (iii) that are not in excess of the number of one-room or two-room schools that are closed and whose board or boards signed an agreement referred to in clause a and in each of which schools the enrolment on the last school-day of September in the year preceding that in which the agreement was signed was ten or more; and

- (d) \$20,000 for each class-room constructed or acquired under clause c.

38d.—(1) In this section,

- (a) "assessment" means the assessment from which the board receives support in the year in which the expenditures are incurred, adjusted by the applicable provincial equalizing factor;
- (b) "net requirement" means the excess of the expenditure for fees and transportation over the revenue from general legislative grants exclusive of the grants under sections 20 and 38e and from the Minister under Ontario Regulation 278/66 for the cost of transportation;

(c) "supernormal requirement" means the excess of the net requirement over the amount that would be produced by a levy of 7 mills on the assessment.

(2) An elementary-school board in a territorial district that,

- (a) operated a school prior to the 1st day of January, 1966;
- (b) closed its school on or before the 31st day of December, 1967, subsequent to signing an agreement for the education referred to in clause a of section 38c; and

(c) requires a levy of 7 mills or more on its assessment to provide its estimated net requirement for the current year,

shall be paid,

(d) in the year in which the education of its pupils is received, upon receipt of its budget, accepted by the municipal council in the case of an organized municipality or adopted by the board in territory without municipal organization, 90 per cent of its estimated supernormal requirement; and

(e) in the following year, after receipt of the board's audited financial report, the amount of its actual supernormal requirement less the amount received under clause d,

but where the payment under clause d is greater than the supernormal requirement, the board shall refund to the Treasurer of Ontario the amount of the payment received under clause d that is in excess of the actual supernormal requirement.

38e.—(1) Subject to subsection 2, the board of an elementary school referred to in the Schedule shall be paid in respect of each teacher employed a grant of,

- (a) the lesser of,
 - (i) \$1,000, and
 - (ii) the amount by which the salary paid to the teacher exceeds the total of,
 - a. the amount set forth in Column 2 of the following table in accordance with the Standard for the teacher's certificate set opposite thereto in Column 1:

TABLE

COLUMN 1	COLUMN 2
Standard of teacher's certificate	Amount
1	\$3,900
2	\$4,200
3	\$4,500
4	\$5,200

and

- b. an allowance of \$300 for each year of teaching experience up to and including ten years of experience; and

(b) the lesser of,

- (i) \$1,500, and
- (ii) the amount by which the salary paid to the teacher exceeds the total of,
 - a. \$3,900, and
 - b. the amount payable under clause a.

(2) The grant payable under subsection 1 shall be limited to the excess of the total expenditure of the board for school purposes over the sum of,

- (a) the general legislative grant payable to the board, exclusive of the grant under subsection 1; and
- (b) the amount that would be produced by a levy of 7 mills on the assessment from which the board receives support.
